PICKUP FROM YOUR HOTEL.**

**Inclusive of 1 hour cruise with refreshment**

Wow, Prague in a day! This walk is a unique combination of the very best aspects of each of our walks. Moving from the magic little web of alleys in the OLD TOWN past the important milestones in the history of the JEWISH QUARTER and Wenceslas Square in the NEW TOWN, the site of astonishing protests and uprisings, we come to the river. Here we can enjoy a comfortable cruise that shows us the most romantic spots of Prague, such as the LESSER TOWN or Prague Castle, from most unusual angles. Then we board the tram to ascend the hill to PRAGUE CASTLE. As we stroll around the Jewish Ghetto we can look into Jewish traditions and history. The ghetto is formed of small houses and narrow alleys and attracts tourists with its unique monuments - the Old Jewish Cemetery, the Old-New Synagogue (still in use), and the Jewish Museum.

Jewish Quarter

St Nicholas Church

St Vitus Cathedral

We admire the rich history of the Old Town with the marvellous Church of St. James, the medieval customs yard Ungelt, the Estates Theatre where Mozart's Don Giovanni was introduced to the world, and the Charles University, the oldest one in Central Europe. On Wenceslas Square we see where the Velvet Revolution occurred in 1989.

After a typical Czech lunch served in a nice restaurant we take our cruise. Prague Castle crowning the top of a picturesque hill, the Lesser Town, the Church of St. Nicholas - a jewel of the Baroque, Charles Bridge - the oldest one in Prague, the National Theatre... Get unsurpassed views of all Prague's treasures from the river! After the cruise we come to the Castle, the real heart of Prague. Your guide takes you through all the courtyards, shows you the Old Royal Palace, the Basilica of St. George, the Royal Garden, the Golden Lane... and the architectural gem of St. Vitus Cathedral. On this tour with a great guide, you can peer into the past from the 21st century.

Tram ride to the Castle

Typical Czech Lunch with soft drink or beer

Golden Lane
